Dear Minister Guilbeault and ECCC,

My name is Phillip Meintzer and I work as a Conservation Specialist with Alberta Wilderness Association (AWA).

Attached to this email is a letter that details AWA's comments on the ECCC Discussion Document*: Options to Cap and Cut Oil and Gas Sector Greenhouse Gas Emissions to Achieve 2030 Goals and Net-Zero by 2050.*

We hope to see our feedback considered in the development of the final emissions cap regulations, and we look forward to your response.

Thank you,
Phillip
