

Hello Adventurers,

Now that summer is in proper swing and the sun is blessing our province, it's time to turn thoughts to the outdoors. **Here are some of our July Adventures** - some that have happened, some that are ongoing, and some that are coming up soon!

As always, we have adventures near and far, from camping in the mountains, to helping keep your local green spaces clean and wild. We're sure you will be able to find something to suit your summer while celebrating Alberta's wilderness.

Happy Adventuring!
-Your AWA Team

July 2 & 3 | Dinosaurs and Badlands

Last week, nearly 30 adventurers gathered to virtually meet Dr. François Therrien, Curator of Dinosaur Palaeoecology at Royal Tyrrell Museum and attend his special presentation on the “*Paleontological Wonders of Alberta.*” This presentation was followed up by an interpretative hike to the Albertosaurus bonebed and other sites at Dry Island Buffalo Jump Provincial Park.

A truly magical time was enjoyed by all, as you can see from the photos below. A blog post detailing the adventure is forthcoming and we will be sure to let you know all about it!

June 14 - Aug 14 | Keep it Wild, Help us Clean

This month, Katrina and Nathan kicked off a summer-long Adventure to keep our province healthy and litter-free. There's more than one way to participate: join the crew, donate to the cause, organize a pickup or nominate an area.
