

What's Happening: Our Public Lands, Climate Change Policy

Feb. 28: Our Public Lands - Edmonton

Often called "the best idea the west ever had," public lands are an important part of Alberta's identity. But what are public lands? Why are they important? What can be done to protect them?

Join AWA staff in Edmonton for a premiere screening of *Our Public Lands: A Treasure to Protect*, a video series that helps answer these questions and celebrates the spectacular places that are Our Public Lands.
