Dear Madam:

**Re: Allan Adam et al v Minister of the Environment et al  
Court File T-416-12**

---

I am writing with reference to the Direction issued by the Court in this matter on August 20, 2012.

I have been informed that Environment Canada will not be in a position to post the final recovery strategy by October 1, 2012.

The Department is finalizing the strategy and will communicate any further updates to the Court and to the applicants as soon as they become available.

Yours truly,
