

Dear {FIRST\_NAME|Wilderness Defender},

AWA is asking you to help urge the Government of Canada to make the Govenlock Community Pasture a National Wildlife Area.

In April 2012, the Government of Canada announced the divestiture of the former PFRA community pastures – strongholds for many of Canada's prairie species at risk including the Greater Sage-grouse. Only one of the community pastures is federal land. The Govenlock Community Pasture is part of an Important Bird Area and contains critical habitat for sage-grouse.

We need your help to convince the Government of Canada to establish the Govenlock Pasture as a National Wildlife Area under the management of Environment Canada.

For more background information on this project, please see:

- The [briefing notes](#) that AWA has prepared on the Govenlock Community Pasture,
- [AWA's letter](#) to Prime Minister Harper.

## What do we want you to do?

Call, write or email the Prime Minister of Canada, Stephen Harper and urge him to make the Govenlock Pasture a National Wildlife Area to help ensure the survival of Canada's species at risk.

Contact info is included below.

For your reference we have placed a sample letter on the AWA website:

- [Sample letter to Prime Minister Harper](#)

Please remember to send a copy of your letter(s) to AWA [colson@abwild.ca](mailto:colson@abwild.ca)

Please send your letters and correspondence to:

- The Right Honourable Stephen Harper
