

Dear Adventurer,

One month after the launch of our 2020 Adventures for Wilderness programme, the first adventures are drawing near: A cross-country ski trip from Canmore to Banff and a 48-hour ice fishing trip!

With Adventures happening from March through June and even beyond, we're sure to have something that suits your style. Perhaps that's a winter adventure, maybe it's a summer adventure, or something indoors... or maybe you don't care: you just want to [get out there and have fun](#). Here's what coming up!

Ski Crosscountry from Canmore to Banff

If you're really itching to get out there and enjoy the snow, Jamie Jack, Sky England and Hannah Slomp have the perfect cure for those winter blues: a cross-country ski trip from Canmore to Banff! This 18km ski trip along the Goat Creek Trail has quickly become a fast favourite among those who have been able to undertake it. **March 14th is your chance to make it a favourite of yours too!**

Help Friends Fish-A-Thon reach their fundraising goal!

From March 7-8, Nissa Petterson and friends will be spending 48 hours ice fishing, winter camping, and performing some citizen science to test the lake's overall health in conjunction with the Alberta Lake Management Society. Sponsor this Adventure to help them reach their goal of raising \$2000 for Alberta's wild waters.
