In either case, we invite you to [check out the stories and photos from some of this year's past adventures](#). These stories will give you just a taste of some of the fun times and amazing experiences you can expect on one of AWA's Adventures for Wilderness.

Oct 2 | Nose Hill Ramble in Memory of Gus Yaki

Join AWA as we ramble in Nose Hill Park in memory of renowned Calgary naturalist Gus Yaki. On this walk we will be joined by naturalists, botanists and geologists who will lead us on an exploration of the features and history of the park, as we visit cultural sites, coulees and hillsides to learn more about urban wildlife and plant species and the natural world that was Gus' passion.

What is Adventures for Wilderness?

Adventures for Wilderness is AWA's annual program to engage Albertans in wilderness conservation. We believe an Adventure can be anything from climbing a mountain, to walking by the river, to enjoying the beauty of nature in your own backyard. Visit our website to learn about the Adventures this season and how you can support Alberta Wilderness Association.
