

*What's happening: February & March*

Join us on **Tuesday March 5** for a public forum on water security in Alberta. Moderated by CBC's Judy Aldous, MLA candidates from Calgary-Mountain View will discuss headwaters, drought/flood preparedness and responsible water use.

---

## **March 19: Elly Knight**

Join us for a presentation by Elly Knight on what we've learned about where Common Nighthawks spend their time outside of the breeding season and how it applies to the conservation of this poorly understood species.

[Register today.](#)

## March 2: Music for the Wild

Joined by opening act *Brand New Companions*, Christie Simmons offers an evening of prairie Celtic with a *little* country, and traditional folk with a twist of Americana. Limited tickets remain!

## Feb 26: Ian Urquhart (Edmonton)

Climate change leadership, phasing out coal-fired electricity and increasing renewable energy production - the environmental promises made by Alberta's government. Ian Urquhart looks at those promises and reviews the record in fulfilling them.

[Register today.](#)

Dedicated to the conservation of wilderness and completion of a protected areas network, AWA inspires communities to care for Alberta's wild spaces through awareness and action.
