## GETTING THE WHOLE PICTURE

WHAT WE'VE LEARNED BY STUDYING A  
DECLINING, MIGRATORY BIRD - THE  
COMMON NIGHTHAWK - YEAR ROUND

MARCH 19  
DOORS 6:30 PM | TALK 7 PM  
[ALBERTAWILDERNESS.CA/EVENTS](https://albertawilderness.ca/events)  
403.283.2025

Join us for a talk with Ph.D. Candidate Elly Knight, who will share what we've learned about where Common Nighthawks spend their time outside of the breeding season and how it applies to the conservation of this poorly understood species. She will cover the importance of studying birds during

migration and on the wintering grounds, and how it applies to our Common Nighthawks in Alberta.

## April 27: Climb for Wilderness

The Climb is our annual Earth Day event in support of wilderness and wildlife protection in Alberta. Your support and participation helps us do our conservation work year-round.

If you register in the month of March, you'll be entered into a weekly draw of AWA merch as a thank you for your support!

[Register today.](#)

Dedicated to the conservation of wilderness and completion of a protected areas network, AWA inspires communities to care for Alberta's wild spaces through awareness and action.
