On Wednesday September 8th from 7:00 to 9:00 PM (Mountain Time), Alberta Wilderness Association is hosting one of 100 Debates on the Environment in the riding of Calgary Confederation.

This debate will be held virtually, and is part of the 100 Debates on the Environment Initiative, a national, non-partisan movement coordinated by GreenPAC. Debates will be taking place across Canada in the lead up to the upcoming federal election on September 20th.

We have confirmed candidate participation from four parties including the Liberal Party, the New Democratic Party, the Green Party of Canada, and the People's Party of Canada. The incumbent Member of Parliament and Conservative Party candidate is unable to attend due to other commitments.

The debate will feature a block of formal pre-determined questions across three topics related to environmental issues, and will be followed by a block of audience submitted questions and answer period. The three topics to be discussed during the formal block are as follows:

1. Climate Change & Biodiversity Loss
