Did you know that an AWA lifetime membership is only \$25? Or a family one is just \$30? A robust membership base means that AWA's voice is stronger, because we have all of your voices behind us! If you aren't already an AWA member we hope that you will consider purchasing one today to amplify the voice of conservation in our province.

*Alberta's wildlife and wild lands don't have a voice. Won't you lend them yours?*
